Cross Country:

Our students ran the school Cross Country on Thursday 11th May in the misty rain that slowly came down for the entire day. The senior competitive students started the day and the year 10 students finished the day off in 4th period. It was awesome to see most of our students giving it 100% even in the wet conditions. Liam Miller took out the senior boys race, closely followed by Ben Kennerley. In the girls race Rosie Sussex won the senior girls race with Hannah Bateman coming in second through a strong sprint finish. The intermediate boys race was the highlight of the event, Jade Stafford won the 4km Intermediate boys race in 14:26, this is an awesome time for a cross country race, especially in those conditions. The intermediate girls had the most runners for the competitive non-compulsory race. Grace Blisset was the winner of this followed by Kebriah Newman. The junior runners were split into their year groups for their races even if they were intermediate runners. In the year 10 girls, our Cross Country star Olivia Cummings won by close to two minutes followed by Emily Phillips. The year 10 boys race was a closer race with Troy Herdman winning and Ashirai Zinyowera finishing 2nd. In the girls Lisa Evans was the champion by only five seconds to Armani Greenway and in the Boys Dennis Magezi was the champion with Cory Stafford in 2nd.

Bay of Plenty Cross Country:

It was a stunning day on Tuesday 23rd May for the Bay of Plenty Cross County in which we had 24 students involved. This is the most we have had in a few years and all the students competed extremely well. Our little super star Olivia Cummings ran extremely well and finished the Intermediate girls race 1st with no one in site of her. Jade Stafford had an outstanding race and was close to the leader and battled against a talented runner from John Paul College for 2nd and 3rd for the most of the race finishing 3rd.

At the Bay of Plenty Cross Country, they have placings for three man and six man teams. In the junior boys finished 2nd overall for both the three and six man team. The junior girls finished 2nd with their three woman team and last but not least the Intermediate girls drew for 1st place in the three man team.

Badminton:

The Tauranga Secondary Schools junior Badminton competition was held at the QEYC on Monday. We had six teams consisting of three boys and three girls teams enter and play in the competition. Christine Sinclair, Bethany Lake, Rachel Dunn and Flora Clarke played as a team in division one and finished 2nd overall so now will make their way to the Bay of Plenty championship finals day later in the term and wish them the best of luck for this competition.
