*Waikato Cross Country:*

It was a beautiful winter's day over in Hamilton last Wednesday for the Waikato Secondary Schools Cross Country. We travelled over with 10 students to take on the other runners from around that Waikato at Hamilton Gardens. All of our students competed extremely well and there were some extremely close races with the senior boys being the highlight of the day. In the junior girls Alexa Paintin, Armani Greenway and Amelia Farrar came third overall in the 3-woman team.

*Gymnastics:*

On Friday of last week the Bay of Plenty Secondary Schools Rhythmic and Artistic Gymnastics competition was held down at Argos gym. The Otumoetai College team consisted of 14 students of different ages and abilities. We had six girls compete in the Rhythmic and nine in the Artistic sections. In the Rhythmic

*Rock Climbing:*

On Wednesday 31<sup>st</sup> May the Secondary Schools Rock Climbing Championships were held at Rocktopia in Mount Maunganui. We had a team of eight students travel over to the event and all compete extremely well. It was an awesome venue and set up this year with the students being able to do Rock Climbing, Bouldering and Clip 'n' climb within the competition. All our climbers performed very well with Irralee Hair managing to take out the Senior Girls competition.

*Turbo Touch:*

National Youth week took place during Monday 29<sup>th</sup> May – Friday 2<sup>nd</sup> June and Employ NZ organised for a Turbo touch competition to be played on Friday 2<sup>nd</sup> June at the Queen Elizabeth Youth Centre. We put a team together of different sports athletes in different year groups at school. We taught the team how to play on the Thursday and took them to the competition on Friday. We expected to be playing against other secondary schools but it was more community youth groups, which made the day challenging as they there were some adults playing in teams. We made the final and played against some experienced Turbo Touch teams but our students' fitness and ability to listen to game plans saw them win the final 11-7. Great effort from the crew and we look forward to taking on the challenge again next year.

Congratulations to the following boys that have made the Western Bay of Plenty Rugby u15 wider training squad. Mitchell Wragg, Jordan Harrington, Mason Grant, Dylan Hill, Jared Austin, James Austin and Dion Greenfield. This is an awesome achievement boys and good luck for the final team naming
