Duathlon:

Congratulations to Olivia Cummings who, over the weekend, competed outstandingly in the New Zealand Secondary Schools Duathlon in Auckland. Olivia raced extremely well and comfortably won the u16 girls race. This title means that Olivia now holds 4 National u16 titles which is an absolutely outstanding achievement for a girl that is only 14.

Golf:

The Otumoetai College Golf teams travelled to Te Puke on Monday to play in the Secondary Schools Eagles Golf tournament. We had two teams compete this tournament, which was awesome, as we have only generally taken one team to events. It was a stunning day for golf and our students played very well. Taylor-Rose Perrett, Jack Crowe, Payton Sisson and Hoje Kang were all in the first team, they competed extremely well to finished as the second team overall in the Bay of Plenty. Hoje Kang took one for the team having a very good game to finish 2nd in the overall individual points.

Rugby:

Our u15 and 1st XV Rugby teams have made the semifinals in their division in the Baywide Secondary Schools competition. Our 1st XV are travelling to Taupo to play against Taupo-Nui-a-Tia after taking their place from a win last week against Tauhara College. The u15 boys are travelling to Whakatane to play against Trident High School.

The 1st XV travelled to Taupo last weekend to play against Tauhara College, scoring five outstanding tries to take the win in their last pool play game. The forwards dominated the Tauhara forwards, which gave us opportunities to use the back line effectively. Tyler Aldridge was put into half back for the first time this year and he has an outstanding game. Ewan Scott, Kaden Gordon and Joel Wisnewski all had outstanding games. Good luck to both teams for this weekend, we look forward to hearing the results.
