NCEA OUTDOOR EDUCATION LEVEL 2 – (L2OEAS) 2018

Dates and Venues are a guide only

OUTDOOR EDUCATION – L2OEAS					
<i>Course Relationship to the National Vocational Pathways</i>					
Construction & Infrastructure	Manufacturing & Technology	Primary Industries	Services Industries	Social & Community Services	Creative Industries
0	0	0	18	10	18
Course Entry	Entry is dependent upon approval from Year 11 teacher and the approval of the HOD of Physical Education.				
Course Overview	This course focuses on Leadership, Risk Analysis and Management, Bush-craft Knowledge, Skill Performance and Social Responsibility. The topics include Kayaking, Orienteering, Belaying and Climbing, Camping, and Ultimate Frisbee. Students involved in this course are expected to participate actively in all modules and demonstrate safety and risk management strategies. Students must be reliable and trustworthy and not pose a risk to themselves or others. Involvement in the college Athletics day and Swimming Sports is encouraged.				
Assessment	The course is a combination of theory and practical lessons. The course is 100% internally assessed. This means students must be able to complete assessed tasks in the workbooks within a set timeframe.				
Course Fee	This course fee is compulsory for all students taking L2OEAS and covers costs for Risk Management Surf Kayak Day, Orienteering, Assessment Day, "Rockhouse" and Abseiling Day				\$120.00
Trip Fees	This course will be enhanced by attendance at the following Activities				
	Kayak Camp 3 days				\$160.00
	Bush Craft Camp 2 days				\$60.00

Aim

To provide a range of Outdoor Pursuits experiences and to complete Physical Education NCEA level 2 Achievement standards.

91336 V2	Analyse group processes in physical activity		3	Term 1 9 – 10 Term 2 1 – 4
Total of 6 Achievement Standards				
Total of Credits 20				

OTUMOETAI COLLEGE PHYSICAL EDUCATION DEPARTMENT POLICIES AND PROCEDURES

Authenticity

Assessed work must be your own work. You and your caregivers will be expected to sign authenticity declarations and, where appropriate submit working drafts. Where evidence indicates work presented is not your own work the school policy will be followed, i.e. a non-credit for that unit.

Attendance

You are expected to attend class on a regular basis as set out in the school policy on attendance. If there is a record of consistent non-attendance which could jeopardise safety or the achievement of the rest of the group then an alternative work place will be considered during PE lessons.

It is the students' responsibility to catch up on work that has been missed through non-attendance.

If an assessment is missed a **Doctors Certificate** must be presented to enable student to sit the assessment.

Participation

Students must **participate in 85%** of any practical or theory aspects of this course to be eligible to enter the standard.

Appeals

Appeals of grades awarded are to be made within three school days of the return of assessed work. Where a grade is appealed, school policy will be followed.

Marked work is **not** to be removed from the classroom.

Late Work

Late work will **not** be accepted for assessment unless exceptional circumstance exists, (computer failure is not a valid reason to hand work in late) and an extension will be given by your teacher. Extensions must be applied for **three** days prior to the due date.

Verifying Grades

Students will be required to verify the grades they have been awarded by signing the result slip attached to each piece of work.

Compassionate Considerations

Compassionate consideration for a student who is absent from an internal assessment may be made if there is sufficient evidence available from other work related to the same skill/contact and no other re-assessment opportunity is available.

Retention of Student Work

Your teacher will retain all work completed during this course.
