

OTUMOETAI COLLEGE
NCEA FASHION & DESIGN LEVEL 2 (L2FADN) 2018

| FASHION & DESIGN – L2FADN | | | | | (TIC: Mrs Armstrong) |
|--|--|---------------------------------------|--|--|---|
| <i>Course Relationship to the National Vocational Pathways</i> | | | | | |
| Construction & Infrastructure 20 | Manufacturing & Technology 20 | Primary Industries 6 | Services Industries 0 | Social & Community Services 0 | Creative Industries 20 |
| Course Entry Entry is open, but subject to approval by the HOD. | | | | | |
| Course Overview This course consists of individual standards which will include units on skills, design and developing one off products to suit a client. The client will be chosen by the student. There will also be the opportunity to make a one off garment, which can be entered into the Pin'd Creative Showcase Fashion Show. | | | | | |
| Assessment This course will be assessed to Level 2 Achievement Standards. Assessment will focus on internally assessed standards, but students will have the opportunity to sit one externally assessed Achievement Standard. Students will have the opportunity to gain up to 20 credits at Level 2. | | | | | |
| Cost Materials Incidental supplies (<i>Must supply own fabric for garment</i>) | | | | | \$50.00 |

Aim
 A student centred course dealing with real problem solving in a practical environment. The students establish their own client for whom they use technological practice to produce a creative practical solution.

Assessment Programme
 This course will be assessed to Level 2 Achievement Standards. Assessment will focus on internally assessed standards but students will have the opportunity to sit one externally assessed Achievement Standard. Students will have the opportunity to gain up to 20 credits at Level 2.

| | |
|----------|--|
| 91340 v3 | Use the characteristics of a design movement or era to inform own design ideas <i>3 Credits</i> |
| 91345 v3 | Implement advanced procedures using textile materials to make a specific product with special features <i>6 Credits</i> |
| 91346 v3 | Demonstrate understanding of advanced concepts used to make textile product <i>4 Credits</i> |
| 91347 v3 | Demonstrate understanding of advanced concepts used to make products <i>6 Credits</i> |
| 91350 v3 | Make advanced adaptations to a pattern to change structural and style features of a design <i>4 Credits</i> |
| 91363 v3 | Demonstrate understanding of sustainability in design <i>4 Credits (Assessed by an official NZQA marker)</i> |

Assessment Opportunity
 Students are expected to complete assessment activities on or before the date they are due. A further assessment opportunity will only be offered to classes where practicable. The final decision for this rests with the Head of Faculty. In some instances, the on-going collection of evidence by the teacher of the students' knowledge or skills may provide sufficient evidence. Such evidence, for example, may be collected by the teacher in conferencing with individual students.

Derived Grades
 As the external assessment for Technology is a written report that is produced throughout the year, a derived grade application will not be relevant.

Work Deadlines and Lateness

Teachers will set a date by which all internally assessed qualification tasks must be completed and handed to the teacher. Late work will not be accepted. Any extension must be negotiated 48 hours before the due date for the completion of the work. You will require evidence to support your request for extra time. The classroom teacher will only grant an extension in the case of genuine illness or other exceptional circumstances.

How to Appeal a Grade

Appeals against internally assessed grades awarded should be made following the procedure outlined in the school policy on appeals. Students wishing to appeal a grade must do so within 48 hours of receiving notification of their assessed grade.

Storage of Student Work

The Technology Department will retain all student assessment material until it is no longer required by NZQA for moderation purposes.

Authenticity

Except where specified for some group tasks, all work is to be your own work and all assessment tasks will require a signed statement of authenticity from students.

Marking and Moderation

Students' work will be marked by their subject teacher following NCEA assessment schedules. For marking consistency, some assessment tasks may be marked by the same teacher for all classes, or two or more teachers may be given a different section of the assessment to mark for all students. Moderation will take place at the beginning and end of each assessment as per Otumoetai College specification.

Resources and Texts

Generally, all text resources, and practical equipment will be supplied by the Technology/Soft Materials Department. If students wish to use additional texts, resources or equipment, this is permissible.
