To enhance the delivery of the curriculum each student will be issued with an Identity (ID) card. The cost is \$6.50 and payment for this item would be appreciated. The College also produces a school magazine each year and the cost of this publication is \$10.00 and may be purchased from the school.

List your chosen subjects and transfer the costs of course materials from the subject planning booklet. The costs will be for materials taken home or consumed. There also may be additional materials provided by the College that will enhance programme delivery e.g. Art packages. Students will need to supply these additional materials if parents / caregivers do not wish the College to purchase these. Your parent / caregiver is to initial each subject and, if in agreement, the associated costs.

For 2019 I select the following option subjects. A full programme is either four half-year courses or two full year courses, or any combination. Be careful to enter the subject code correctly, e.g. **10ART1**, to enter a Reserve subject, and to select a Technology subject and an Art subject.
